Help Families In Our Community To Recover From The Harm of Addiction

And Achieve Happier Dependency-Free Futures

£5 a Month will enable three people to receive an initial interview with a counsellor, enter into therapy and take the first steps to an addiction free future.

£10 a Month will enable our posters and leaflets to be distributed in local GP surgeries and community centres: raising awareness of our service and enabling up to 400 people a year to refer themselves or others to our services.

£20 a Month will enable our crèche to be fully staffed for one day, allowing 12 children to play and develop skills in a safe, educational and fun environment whilst their parents receive therapy.

£50 a Month will pay for our counsellors to work with a group of 15 people for one week, making an enormous difference to their chances of achieving abstinence recovery for all those attending.
